

David Sellers

270 Ira Lane • Port Matilda, PA 16870 • davidsellersdesign@gmail.com • [814] 470-6397

Objective:

To expand my knowledge and understanding of architecture and design through an entry-level position.

Education:

Bachelor of Architecture

The Pennsylvania State University - University Park, PA

Spring 2015 Study Abroad: The Pantheon Institute, Rome, Italy

GPA: 3.26/4.00

The College of Architecture Dean's List: Fall 2011, Spring 2012, Fall 2012, Spring 2015

Graduated: May 2016

Employment:

Sterling Construction, South Burlington, VT [May - August, 2015]

Summer Intern, CAD Specialist

Worked in the office and on site to develop multiple homes in three residential neighborhoods. Created renderings, master plans, site plans, and site-specific zoning documents and expanded the website for the newest neighborhood.

Penn State Architectural Engineering Department, State College, PA [May - August, 2014]

Immersive Studio Supervisor and Researcher

Worked with the Immersive Studio supervisors to give tours and build immersive presentations. Researched programs and workflows for immersive walkthroughs, baking textures, and webpage development.

Keller Engineers, State College, PA [January 2014, August 2013]

Project-Based, Part-time Employee

Worked closely with Stantec to create 1:1 scale mock-ups of their current renovation project for Penn State University. Constructed the built environments and supervised the events.

Target, State College, PA [September 2012 - Present]

Team Trainer, Part-time Employee

Train and give guidance to new team members. Provide customer service to guests in the store. Maintain public health and store cleanliness.

Leadership & Involvement:

Digital Tutor: Penn State University Digital Beehive [2013 - 2016]
